

# RICK GUTIERREZ

Latino comedian Rick Gutierrez has been cracking up audiences across the country with his throwback takes on traditional family values and outlooks on marriage for years, but it's about time some higher ups in Hollywood finally got wind of his comedic talents.

Rick can currently be seen in FUSEtv's "Fluffy Breaks Even." The show premiered in 2015 and was the most watched program on the network. In June 2014 NUVO tv aired Rick's one hour special, "I'm Not Mad, I'm Just A Parent," produced by Gabriel Iglesias and LEG. Rick's other television credits include NBC's "Friday Night Videos," BET's "Comic View" and Showtime's Latino Laugh Festival. He has appeared in 2 seasons of the Comedy Central series "Gabriel Iglesias Presents Stand-Up Revolution."

He is currently touring clubs all around the country and appearing with Gabriel Iglesias on the "Fluffy Breaks Even."
